

Instructions for filling out SBMF requisitions:

1. Provide BOTH Client Code and ordering physician and number.
2. A surgeon MUST be provided for all pathology specimens.
3. Provide all patient demographics, including billing information.
4. An ICD-10 code MUST be provided
5. A signed ABN MUST be provided when deemed necessary per Medicare guidelines. An ABN Checker Tool can be found under the “Providers” tab on our website <http://www.sbmf.org>. To log in Username=SBMFClient and Password=ABN. Visit the Medicare website: <https://www.cms.gov/medicare-coverage-database/> for ordering guidance and lists of covered ICD-10 codes.
6. Please be sure to mark all tests needed.
7. Need more than one copy? Make sure to select as many copies as needed when printing.

For test codes, collection requirements, processing, and turn-around times, please visit our website at: <http://www.sbmf.org>, then click the Test Directory link.

For further assistance contact our Client Services Department 24 hours a day at: 1-800-950-7263 or 574-236-7263
