

Expediting Outpatient Testing (STAT Priority)

For the quickest turnaround time when ordering outpatient STAT testing, please direct patients to our Central Laboratory Patient Services location at 530 N. Lafayette Boulevard, South Bend IN 46601.

Our West Edison Patient Services location at 118 W. Edison Road, Mishawaka IN 46545 has an expanded courier schedule that reduces specimen transport times from that site.

In Elkhart County we recommend our Goshen North outpatient site at 2120 Reith Boulevard, Goshen IN 46526.

Patients presenting with STAT orders at other locations will be processed as promptly as possible, but specimen transportation to testing labs from those sites may be significantly longer than the locations listed above.
