Notification Date: 25 MAY 2021

Effective Date: 31 MAY 2021

## Memorial Day Holiday Instructions

In observance of the holiday, the South Bend Medical Foundation will be closed on Monday, May 31st.

Courier service on Monday, May 31st will be running with a Sunday/Holiday schedule. This means that if you do not have a scheduled Sunday pick up, you will need to store specimens at the appropriate temperature to ensure stability.

South Bend Medical Foundation Blood Bank Services will NOT be staffed on-site for the Memorial Day holiday. There will only be on-call service, Monday 5/31/21 0500 through Tuesday 6/1/21 at 0600. Both component staff and technical staff will be on-call for emergencies. Please plan ahead for your routine inventory orders. If you are an overnight customer, please order for delivery to arrive Sunday 5/30/21, if possible.

Urgent needs will continue to be covered with special delivery arranged as necessary. You may continue to phone SBMF Blood Bank Services at 574-251-1760 and allow the phone to roll over to the on-call staff member. Please call before sending any samples for reference lab testing so SBMF can meet your needs.

If you have further questions, please contact one of our Client Support representatives at 574-236-7263 or feel free to reach out to your Account Executive; Laura Balciunas, 574-309-2591 or Meghan Berkheiser, 574-286-0287.
